Grand Knight Message

I hope this communication finds you all well. As you know, we have an outstanding, vibrant Council and I am very proud to be your Grand Knight! I can't believe it is Oct already!! Whew!! On Sept 16 we welcomed 6 new Brother Knights making their 1st Degree!! Please congratulate our new Brother Knights: Johnny Gil, Ruben Carbajal, Robert Lutes, Brian Lockwood, Jeff Rogers and Brandon Lopez!!

Remember it's Fish Fry season again. I hope to see you all...enjoy a great dinner, hang out with friends, play some bingo and support your Council charities!! Check the bulletin or website for all of the upcoming dates!

Our Council deserves the best opportunity to accomplish all of our Columbian years goals and objectives. Achieving Star Council last year was the result of outstanding, dedicated members performing at a high level. The operation of our Council cannot rest on the shoulders of a few; it takes all of us working together as a broad team to accomplish the mission and our good works. With this in mind, I am reaching out to you all.

The Council is in need of Chairmen for our Christmas Event and Summer Picnic. I need your help with these two positions, so please let me or any Council Officer know of your interest and we will assist you. Obviously, with Christmas season just around the corner, filling this position is critical. There is not much work to chair this half day event at our Hall and to lead our Christmas charitable donation gathering efforts.

As one of the Council goals for the new Columbian year, I would like to assemble a small team of Brother Knights to work with me in developing charitable and Holding Company fundraising opportunities. Our building is owned by Council 3744 and, like all buildings or your own home, regular maintenance and upkeep repairs are very important. We need to look to the future and make sure our Hall remains a viable, pleasing and safe place for all. This small team of 4-5 Brother Knights will brainstorm together to provide new and innovative opportunities for our Council to do more within our objectives for increasing our support of charities and to raise much needed funds for our structure.

We have a tremendous membership of brilliant Catholic men that pool their talents together to accomplish our mission, so I ask for all of your support...please consider helping your Council, and by doing so you will help our community and ourselves.

If you have any questions regarding these requests and positions, and you have an interest, please feel free to contact me anytime! God Bless you and your families!

Thank You
Your Grand Knight
Paul Condran

Grand Knight's Faith Message

Why should we adore God? Every person who understands that he is God's creature will humbly recognize the Almighty and adore him. Christian adoration, however, sees not only the greatness, omnipotence, and holiness the divine Love that became man in Jesus Christ. Someone who really adores God kneels down before him or prostrates himself on the ground. This gives expression to the truth about the relation between man and God: He is great and we are little. At the same time, man is never greater than when he freely and devoutly kneels before God. The unbeliever seeking God and beginning to pray can find God in this way.

Why should we petition God? God, who knows us through and through, knows what we need. Nevertheless, God wants us to ask, to turn to him in times of need, to cry out, implore, lament, call upon him, indeed, even to struggle with him in prayer. Certainly God does not need our petitions in order to help us. It is for our own sake that we are supposed to offer prayers of petition. Someone who does not ask and does not want to ask shuts himself up in himself. Only a person who asks opens himself and turns to the Author of all good. Someone who asks goes back home to God. Thus the prayer of petition brings man into the right relationship to God, who respects our freedom.

Decency Report

Presenting the Truth of Catholicism

It seems that building a case for the Faith is a lot like building a mansion one floor at a time. Those outside would be atheists, those inside have various ideas of God.

So what is the foundation of our mansion? Prayer and logic. We need to use reason to demonstrate our faith is true and to show the fallacy of anti-faith arguments.

The Catholic Catechism says that God, infinitely perfect, in a plan of sheer goodness freely created man to share in his own blessed life. The ground floor of any discussion: is there a God who could perform miracles and make them more likely to have occurred?

The second floor is Christian apologetics. We go upstairs to the next step in our journey: the revelation of God in the person of Jesus Christ. God revealed himself to mankind extending an offer, salvation from sin. In this step we show that Christian faith is unique, that there is evidence that Jesus lived, died and was seen alive after his death, and that people died for the belief in Jesus' Resurrection and divinity.

By the third floor we have started with a basic belief in God and progressed to trusting Jesus Christ; the next step is to trust the Church that Christ founded. Once we see that Jesus is important, then we should be a part of His Church. We know from investigation that Jesus existed, selected apostles and commissioned them to evangelize the world. The Church has the authority to recognize which books in the Bible are inspired.

There is still one more part of the house to construct: the attic. What goes in there? The most precious things the church has given us: its teachings on morality. Some may be dumbfounded that the church prohibits things like contraception, in vitro fertilization or homosexual behavior. St. Paul says in Romans that the love of God is written on the hearts of men, so even if they don't know God, they know his moral demands.

To keep the context of building up the Faith for someone one step or floor, always be ready to meet them where they are with sound answers for their honest questions.

Golf Report

Our Sept K of C tournament was played by a relatively small group of enthusiastic golfers on another very nice day at Westchester Golf Course. Guylaine Brosmer set the standard for the group with a closest-to-the-pin win on hole #1 with a great drive followed by a routine birdie putt.

Perhaps concerned with being the second best golfer in his house for the day, Brother **Mark Brosmer** followed Guylaine's lead making two birdies of his own: first on the par 4 hole #6 and then a nice chip in birdie on hole #13.

By-Law Change Vote at Nov 4 Meeting

At the Sept 2 meeting, members voted unanimously to put a change in By-Laws up to a vote of members. Pursuant to By-Law Article IX, proposed changes must be published in the Bulletin 30 days prior to the formal vote. Following is the required information for members, along with a brief explanation of each change (changes are shown as **bold**).

Article I, Sec. 3 ...annual dues of members shall be **\$55...**

Change: Dues have been \$45 for over 10 years. Current member services cost \$68 and this overdue change narrows the difference.

Article II, Sec. 2 ...election of officers shall be by ballot **for contested positions and by voice vote for uncontested positions.**

Change: Provides streamlined vote for uncontested positions.

Article V, Sec 1 **After reading in of candidate applications, the Grand Knight shall call for a voice vote of acceptance. With unanimous voice vote approval, candidate will be deemed accepted for admission. If a single objection is presented during the voice vote, the Grand Knight will move to a formal ballot vote defined in Sec. 2.**

Change: Provides streamlined vote for uncontested admissions.

Article VI, Sec.2 (a) **Memorial Committee - as required by Article VII.**
(b) **Other Committees - as may be required by Laws of the Order or these by-laws.**

Change: Provides language to define the Memorial Committee as a permanent standing committee of Council.

A full marked up copy of the existing By-Laws with these changes included can be seen on the Council website at www.kofc3744.org on the Web Links tab.

By-Law changes are an infrequent event, so please plan on attending the Council Meeting on Nov 11. Your participation in this process is important to your Council officers.

Insurance Field Agent Report

Only having “through work” insurance doesn’t work

Do you know anyone whose life or career has drastically changed during these years of economic downturn? It’s very likely that someone in your immediate or extended family or group of friends is facing financial uncertainty now. Maybe there’s a possibility that you (or your spouse) could lose your job or change employers.

Many people rely on group term life insurance as their only safety net. Often, this insurance is an employee benefit provided at low or no cost and might convince someone that personal insurance is unnecessary.

Only having “work” insurance can leave you and your family vulnerable. Most group life policies are limited in amount, which may be tied to salary or some other benchmark. These numbers are often capped, and this cap may be dangerously low when compared to your family’s actual needs. In fact, without a detailed needs analysis, any employer-provided coverage will likely cause a shortfall at the insured’s death.

In addition, the amount of group insurance offered is almost always reduced, often dramatically, when you retire. You could find yourself without coverage, and if your health changes (which it will as you age), you might also find yourself unable to secure individual protection. It will definitely be more expensive.

While group life insurance can help, it does not replace the need for individually owned life insurance. I’m happy to meet with you and provide a no-cost needs analysis, so you know just where you stand.
