## Grand Knight Message

By the time this message reaches you we will have had our annual picnic at Chevron Park. It will no doubt be remembered as a great family event. I know that in the past it is remembered as a great event where we enjoy the fellowship with our families.

For the last few months **Tino Carbajal** has been working diligently with his team in coordinating the events of the day and I have no doubt this day will be anything less that great. Thank you to Tino, his family and team of brother Knights that make this grand day of fellowship possible.

I can't think of a better way to celebrate summer than at the park with friends and family...and then the kids go back to school. For many of us the kids have already started school. Please keep in mind and say a prayer for those of us who have kids going off to college or leaving the home for the first time. Yeah, it's not easy. We continue pray for them, and we continue pray for us all.

In the short time that I have been your grand knight I have been busy and enjoying every minute of it. Recently Brothers **Chris Lopez PGK** and **Michael Rachford PGK** joined me in a meeting with **Fr Leszik Semik**, the new Parish Administrator at St Anastasia. Let me tell you, what a wonderful person. By now, I know those of you who are parishioners of St Anastasia have had the opportunity to come to the same conclusion that I have about him. How lucky St Anastasia parish is to have him... I will have more details about our conversation with Fr Leszik at the Council meeting. So, plan on attending the Council meeting on Tues Sept 6. If you haven't had a moment to introduce yourself, please do so. Please let him know you are a brother Knight, he is too (First Degree).

Brother Chris Lopez PGK and I also sat with our **State Deputy Sonny Santa Ines** recently too. Our conversation was encouraging. Sonny brought to us the messages from our **Supreme Leader Carl Anderson**. I will go into details of our conversation at the Sept Council meeting. Please plan on attending.

On a more local level, please mark your calendar for Sat Sept 10. There are various activities happening that day but two that I would like to point out and strongly recommend attending. First is the clean up party we are having at the hall. Brothers, the Council Hall building is one of the greatest tangible assets our founding brothers left us to care for. *(cont'd on page 3)*

# Your Fraternal Knight

## Grand Knight Message, cont'd

*(Cont'd from page 2)*

We need to take time to invest some sweat and do what we can to maintain this asset. This is “our” building and we need to ensure it serves as an asset to the next generation of brother Knights.

The second event of the date worth noting is the “BACKYARD BASH” fundraiser for St Margaret’s Center. We should all be very proud of the volunteer work our Brother Knights do for the community that St Margaret’s Center serves. Check our website for details on time and location...and as always, St Margaret’s Center can use your help in many ways.

If you can’t lift boxes, maybe you can help distributing food, or maybe you can tutor a child. There are many ways you can help. Contact **Mike Engler PGK** or **Chip Mallek** to see how you can help.

Finally, let me remind you to take a moment to remember the anniversary of the attack on Sept 11, 2001. This day has changed our lives in America forever. Let us continue to pray for those innocent souls lost to those tragic events, and the brave souls lost responding to the call for help.

Your Grand Knight, **Alex Flores**

## 3 Ways to Help St Margaret's Center

St Margaret's Center provides food, life support services and education to the underprivileged in our local area and has long been a primary charity project supported by the Knights of Council 3744.

There are 3 different ways you can provide help that is urgently needed right now:

1. Volunteer some time each week to pick up food from local markets and/or help sort, stock or distribute food at the Center (along with other great volunteers!)
2. Make a monetary contribution to St Margaret's Center or attend the Backyard Bash fundraiser on Sep 10 (see details at [www.kofc3744.org](http://www.kofc3744.org)).
3. Save clean egg cartons and give to **Mike Engler PGK** at Council meetings.

## Decency Report

### Abortion Clinics Closing

A Planned Parenthood abortion clinic is closing in Wisconsin. The reason? One state pro-life group says the abortion giant has had problems locating an abortion practitioner for the facility and fewer women are seeking abortions.

Pro-Life Wisconsin told LifeNews it is celebrating the permanent closure of the Planned Parenthood abortion facility in Grand Chute, Wisconsin. State Director Dan Miller recognized the strong pro-life supporters who were praying daily for the facility to close.

“For Planned Parenthood, it’s all about the bottom line – if you don’t produce, you’re gone,” the group continued. “The Grand Chute facility wasn’t killing enough babies, so they will close. Last year the Planned Parenthood clinic in Appleton, in northeastern Wisconsin, suspended abortions.” A key factor is that current law requires that women seeking abortions in Wisconsin must be given the opportunity to see their unborn children through ultrasound.

## Insurance Field Agent Report

### Only Having “Through Work” Insurance Doesn’t Work

Do you know anyone whose life or career has been drastically changed during these years of economic downturn? It’s very likely that someone in your family or group of friends is facing financial uncertainty now. Maybe there’s a possibility that you or your spouse could lose your job or change employers.

Too many people have often relied on group term life insurance as their only safety net. Often, this insurance is an employee benefit provided at low or no cost. The existence of this coverage might convince someone that personally-owned life insurance is not necessary.

Only having “through work” insurance can leave you and your family vulnerable. Most group life insurance policies are limited in amount, which may be tied to salary or some other benchmark. These numbers are often capped, and this cap may be dangerously low when compared to your family’s actual needs. In fact, without a detailed needs analysis, any employer-provided coverage will likely cause a shortfall at the insured’s death.

In addition, the amount of insurance offered is almost always reduced, sometimes dramatically, when you retire. You could one day find yourself without coverage, and if your health has changed (which it will as you age), you might find yourself unable to secure individual protection. It will definitely be more expensive.

While group life insurance can help, it does not replace the need for individually owned life insurance. I’ll be happy to meet with you and provide a no-cost needs analysis, so you’ll know exactly where you stand.
