Grand Knight Message

I want to thank all Brother Knights that come out to the Council meetings. WE would love to see more of you more often! Meetings are an important part of being a Knight. Council meetings provide important information on all Council activities.

Attending the meeting allows for you to network with other Brother Knights to build relationships and to come together in faith. Please make the effort to attend. If you cannot stay for the meeting, join us for dinner prior to the meeting at 6:30pm!

Fall is upon us...kids are back in school, many are away to college with some attending for the first time. Where has the summer gone? Thanksgiving is a couple months away and Christmas is right around the corner...but before Thanksgiving there's Halloween! Our Annual Pumpkin Carving Night is on Sun Oct 29. Plan to attend this fun Council family event for kids of all ages.

Sun Aug 20 we held our Annual Picnic at Chevron Park in El Segundo. What a wonderful day and great event. Thank you to Brother **Tino Carbajal**, his family and his team of volunteers that made this event so enjoyable and memorable for all who attended. I am happy to report that there were no major injuries from the softball game aside from sore muscles and sunburns. Check the website to see pictures from the games and events of the picnic...and be sure to attend next year.

Plan on attending the Council Awards Dinner on Wed Sept 6. At this event, our Council recognizes Brother Knights for their contributions to the Council and our community. Tues Sept 19 we will have a 1st Degree at our Council Hall. Contact Membership Chairman **Chris Lopez PGK** with the contact information of a Catholic gentleman you would like to see join our Council. I challenge every one of us to invite a Catholic gentleman to join our Council this Columbian year.

The next time you are at the Hall, take a look at the redone entry lobby. It is stunning! Wood paneling now extends into the entry, with new walls and crown molding added. Thank you Brothers **Tom Hughes, Chip Mallek, Chuck Mondello, Tino Carbajal** and others! This project, along with adding another bartender, will bring our building to the forefront of rentals in our area.

Finally, visit our website for breaking news. God Bless you and your families!

Insurance Field Agent Report

Only Having “Through Work” Insurance Doesn’t Work

Do you know anyone whose life or career has been drastically changed during these years of economic downturn? It’s very likely that someone in your family or group of friends is facing financial uncertainty now. Maybe there’s a possibility that you or your spouse could lose your job or change employers.

Too many people have often relied on group term life insurance as their only safety net. Often, this insurance is an employee benefit provided at low or no cost. The existence of this coverage might convince someone that personally-owned life insurance is not necessary.

Only having “through work” insurance can leave you and your family vulnerable. Most group life insurance policies are limited in amount, which may be tied to salary or some other benchmark. These numbers are often capped, and this cap may be dangerously low when compared to your family’s actual needs. In fact, without a detailed needs analysis, any employer-provided coverage will likely cause a shortfall at the insured’s death.

In addition, the amount of insurance offered is almost always reduced, sometimes dramatically, when you retire. You could one day find yourself without coverage, and if your health has changed (which it will as you age), you might find yourself unable to secure individual protection. It will definitely be more expensive.

While group life insurance can help, it does not replace the need for individually owned life insurance. I’ll be happy to meet with you and provide a no-cost needs analysis, so you’ll know exactly where you stand.
