All Things Must Pass

Change isn't always what we want; at least in the beginning, or until it becomes our new familiar. While reflecting on St. John's vision of heaven – “The One who sat on the throne said, ‘Behold, I make all things new.’” (Rev. 21:5a) – **Father Tim McGowan** said it really isn't his idea of paradise. Fr. Tim opined he isn't happy with the idea of all things being made new. He likes many things that are old, and is comfortable with much that is familiar. It's the same with all of us here on earth, unlike in heaven. Everything new replaces much of what we love, but in the end we have to accept our earthly reality that all things must pass.

For us, change and new things are often accompanied by anxiety - sometimes even dread. Here on earth, at Visitation Church, we're preparing for **Msgr. Jim Forsen's** unexpected retirement. We'll miss the old calming nature of his pastorship, while awaiting the unknown new administration of **Fr. Matthew Wheeler**. We also just lost beloved priest **Fr. Jim Anguiano** who was transferred to another parish. “All things new” is certainly disrupting our familiar here in Westchester.

Whether we like it or not, earthly change is constant. Sometimes it brings happiness, other times not. We changed our parents' lives through birth, while their deaths have or will alter our lives forever. Little we do on earth can prevent many of life's changes, whether they are good or bad. It's the way we address the new, however, that ultimately defines our lives. All things must pass as George Harrison sang. “Darkness only stays the night time. In the morning it will fade away. Daylight is good at arriving at the right time.”

2022 Scholarship Program

Announced this month are the 2022 Scholarship Program award recipients! Thank you, everyone that attended the dinners and fundraising events during the 2021/2022 Columbian year, helping us raise enough funds for ten \$1,000 scholarships! This could not have been done without you. We and the recipients are forever grateful.

We would like thank our incredible Scholarship Program Chairman, Brother **Carl Pentis** for his tireless efforts to make this year so successful. We also thank our wonderful judges, Brothers **Alan Engler**, **Frank Noyes**, and **Joavan Tseng** for all of their hard work and diligence. Finally, a very special thank you to the *Toia Family* and the *Thompson Family* for everything they have done for these students and for Council #3744. Thank you!

Annual Mexican Fiesta Fun

Over 200 dinners were served at our hall to hungry and happy attendees of this year's Mexican Fiesta Dinner held on Friday, *Seis de Mayo*. The incomparable duo of Brother **Alex & Stella Padilla** once again ran the show. The only people who didn't enjoy themselves were those who did not attend. Hopefully we can do it all over again next year when *Cinco de Mayo* falls on Friday!

Fraternal Insurance Agent Report

Blessed Michael McGivney founded the Knights of Columbus 140 years ago with two purposes in mind: to strengthen men in their faith and to provide for the widow and orphan if the breadwinner died or could not work. Our Order continues his mission today. That two-pronged approach to the young Catholic men of New Haven, Connecticut was important then and even though much has changed in our society since 1882, I believe that approach is important now. I am honored and blessed to be a part of continuing that mission.

While we work together to strengthen our brother Knights in their faith, I am able to work to secure the future for those who are left behind. For those who know me and the indispensable work I do for our members, you already have a good idea of how I do that work. But I'd like to take a minute to explain my approach.

My approach is to help members solve problems. The most important thing I can do for you is listen: listen to what you want to accomplish, listen to what keeps you up at night, listen to the plans you have for you and your family's future. And the first step is to take stock of where a family is at the present...a snapshot of this time in your life. The Order has equipped me with a financial needs analysis platform to help you take that snapshot. We plug in the numbers and it does the calculations, taking any bias out of the process.

If your analysis shows there are gaps, we can discuss how to fill those gaps. We have a wide range of life insurance products that can be tailored to your needs if that is where the gap is. We have fixed rate annuities that are designed for retirement savings. Long-term care insurance and disability income insurance can provide peace of mind for the unexpected that life throws at us.

Stepping back and taking stock is not a difficult process and I try to make it as easy as possible. I can meet with you face to face or if you prefer, we can meet virtually. My goal is to fulfill Fr. McGivney's mission of taking care of every member and his family in this council. But I want to further his legacy and offer membership to every man eligible in the parish. His goal was to protect Catholic families...that's my goal, too. Vivat Jesus!

Our Seminarian for 2022

As many of you know, our council supports men in formation for the priesthood both with our prayers and a stipend through the Knights of Columbus RSVP Program. I am very happy to announce that last year's recipient, **Christian Eguaroje** has been accepted and will be attending St John's (Major) Seminary. Unlike the Center of Formation, all his expenses are now covered by the Archdiocese. While he is no longer in need of our financial aid, please keep him in your prayers.

Father **Paolo Garcia**, Director of Queen of Angels Center for Priestly Vocation has selected **Randy Pineda** for this year's stipend. Randy is finishing his first year at the Center. His parish is St Frances Xavier Cabrini. The council will be presenting our stipend check at our regular business meeting June 7. Please come and meet Randy and support him as he follows his call to the priesthood.

Below Randy shares some his biographical details.

"My name is Randy Pineda. I'm 22 years old. I was born and raised in Guatemala for the first 10 years of my life. When I was 10 years old, I immigrated to the United States to be with my mother. I went to middle and high school in South Los Angeles. When I was in junior year in high school, I started working full time at a warehouse company to help my mother with the bills and at the same time going to school full time. It was a really difficult thing to do but through the grace of God, I was able to keep good grades and work full time. When I was in twelfth grade I started working in another company in LAX as an office clerk. I loved working at LAX because it was fun and interesting. I was tempted to drop out of high school and just be working but God didn't let me do it. He reminds me of a quote said by Pope Benedict XVI that says, "the world offers you comfort, but you were not made for comfort. You were made for greatness!"

I was able to graduate school in 2018 with the help of God and I was ready to enter seminary but my family needed a lot of financial help so I continued working at LAX for another year and delayed my entrance for 3 years. Meanwhile I was working at LAX as food operations supervisor. I was very happy working as supervisor. My family was more stable financially but I wanted to continue working as supervisor and delay my entrance to the seminary but once more I was reminded of the quote by Benedict XVI that called us to do great things. So I quit my job at LAX and came to the seminary in the summer of 2021. That has been my best decision that I could ever make. I'm very happy to be following Jesus Christ as a seminarian for the archdiocese of Los Angeles."

Let us keep Randy and all the other men at the Center and St John's in our prayers.
